PROGRAMME OVERVIEW

GRANDE ÉCOLE PROGRAMME

The Grande Ecole programme is one of Audencia's main programmes. It is a high quality 4-year programme with a selective admission process for French students.

Courses begin with a 1-year core curriculum on the fundamentals of management. At the end of this first year, students undertake an internship to put into practice all they have learnt in the first two semesters. The master's cycle begins with semester 3 and continues, after a gap year in the workplace, with the following semesters: one semester of specialisation in Nantes/one semester of study at a partner institution/one semester internship "Corporate Action"

Exchange students can choose courses in either one of the 2 Grande Ecole "Blocks" of courses below (see course catalogue for more details):

Grande Ecole General Management Courses

Designed for international students with at least 3 semesters of Business Studies

Grande Ecole Majors/Specialisation Courses (master 2 level)

International students with at least 4 semesters in Business Studies can choose 2 electives and one of the 10 majors taught in French or in English amongst the Master Programme in Management Studies.

4 fields of study: Marketing/Finance/Cultural Institutions/Consulting *(please check the course catalogue as prerequisites may apply and some courses are incompatible).*

INTERNATIONAL MASTERS *(Limited spaces available for exchange students)*

Audencia offers 3 International Master's degree programmes, all open to candidates holding a Bachelor's degree or equivalent (work experience not mandatory).

For EU students: You are normally sufficiently covered by your national insurance plan. Please submit a copy of your European Health Insurance Card (front and back page) valid for your entire exchange at Audencia.

For non-EU students: Please note that you will fill in the French Social Insurance (~215 €/year) form only when you arrive in Nantes. A translated birth certificate is mandatory for the French social security application and it must be in French. You do not need to submit the birth certificate at the time of applying, just remember to bring it with you when you come to France.

Please note, that **all students** (EU & non-EU) need to also have repatriation and third-party insurance!

► STUDENT CARD

In order to obtain the Student Card, students must be insured for the entire length of their stay in France. This student card cannot be delivered without the proof of the insurance coverage. Students must also provide an appropriate ID picture upon registration.

► VISA
