Registration and nomination deadlines

General information	WU only accepts exchange students nominated by their home universities. The home university exchange coordinator is responsible for nominating students online and forwarding WU's Nomination Letters to the nominated exchange students.
Online nomination	Partner universities are asked to send an email to WU coordinators, indicating the number of students they wish to nominate, after which the online nomination link will be provided.
Nomination deadlines	For the winter semester: May 1 For the summer semester: November 1
Application deadlines for students	<ul style="list-style-type: none">• Orientation and Cultural Program• Pre-semester German language courses• Housing• Online pre-enrollment for students <p>For the winter semester: May 15 For the summer semester: November 15</p> <p>Invitations to apply online for the Orientation and Cultural Program and the pre-semester German language course will be sent out after May 1/November 1.</p>
Language requirements	Depending on the language of instruction (English or German), undergraduate exchange students must have a B2 level or above (according to the Common European Framework of Reference for Languages , CEFR) in English OR German. Graduate exchange students must have a level equivalent to C1 of the CEFR.
	WU does not request official language certificates, as we trust our partners to only send students who fulfill the aforementioned criteria. However, if students do not meet the language requirements, we reserve the right to exclude them from courses.

Course information

Courses in English	More than 250 English-taught courses are offered each term, covering all core fields of business and economics as well as related areas. Some courses are offered in block format to make scheduling easier.
Courses in German	Incoming exchange students can also attend courses taught in German. Courses & FAQs for bachelor's and master's students: https://www.wu.ac.at/io/academics
Class format	Although WU has seven different examination types, approx. 90% of courses available to incoming exchange students are continuous assessment ("PI") courses. These courses are highly interactive courses including lectures, case studies, papers, presentations, and group projects. Exams and tests are held during the regular course sessions, and there is no special exam week at the end of the semester.
Attendance and participation	Attendance is mandatory in all continuous assessment courses ("PI"), which account for 90% of all courses at WU.
Course registration	WU's online registration system LPIS allows students to register for courses even if they overlap. As attendance is mandatory, it is the students' responsibility to only register for courses they can attend in full. Course registration is based on a first-come, first-served principle; therefore, we strongly recommend that students choose two back-up courses in case their registration for their preferred courses is not successful. Course numbers at WU have a purely administrative function and change every semester.
Course load	Students are expected to take a full workload at WU, which corresponds to 24 to 30 ECTS credits. The maximum course load is 36 ECTS credits excluding language courses.
Exam dates	Exam dates depend on the courses chosen. There is no specific examination period for all courses.

German language courses

Before the semester	WU offers pre-semester German language courses with levels ranging from absolute beginners to highly advanced speakers. These two-week intensive language courses are principally free of charge. Only a fee for administration and teaching materials (€ 40) will be charged. To participate, students need to apply by May 15 for the winter semester and by November 15 for the summer semester. Places are limited.
During the semester	WU's Business Language Center offers German courses at all levels. For students, courses (30 contact hours) cost € 195.

Documents

Confirmation of Stay	Please note that a Confirmation of Stay will only be issued for the period of the student's actual studies at WU . The Welcome Days that students participate in, will be given as their date of arrival. The last day that can be confirmed on the Confirmation of Stay is the last day that students need to be present at WU (e.g. last day of classes, last exam).
Transcript of records	We will issue a transcript for each student at the end of the semester, which will be sent to the coordinator at the home university.
Grading	<p>The following grading scale applies at WU:</p> <ol style="list-style-type: none">1 excellent (Sehr gut)2 good (Gut)3 satisfactory (Befriedigend)4 sufficient (Genügend)5 fail (Nicht genügend) <p>WU does not use a standardized percentage-based grading scale. The percentage scores needed to receive the grades given above differ from course to course. In most cases, the course-specific grading scales can be found in the course descriptions online.</p>

Orientation services for exchange students

Orientation and Cultural Program	WU offers a two-week program, which includes activities such as social events, a sightseeing program, out-of-town field trips, presentations on Austria, etc. and costs € 260. To participate, students need to apply by May 15 for the winter semester and by November 15 for the summer semester. Places are limited.
Academic advisors	For each WU partner university, a specific WU faculty member acts as an academic advisor. Academic advisors support students in selecting appropriate courses and give advice on relevant academic matters.
Buddy Network	The Austrian Students' Union (ÖH) at WU are available to help exchange students find a "buddy" – a WU student who acts as their personal mentor. The Buddy Network also organizes a number of social activities for exchange students (skiing trips, trips to neighboring countries, theater evenings, etc.).

International Summer University^{WU}

General information

As an alternative to a full exchange semester, WU offers intensive three-week programs. These **short academic programs** take place at WU from **July 4 – 22, 2022**, and **July 25 – August 12, 2022**. Students can attend two to three business courses on graduate or undergraduate level. All courses are taught in English and cover several business-related topics. Undergraduate students can earn 8 ECTS credits; graduate students can earn 9 ECTS credits.

The program includes networking opportunities and a cultural and social program with fellow students from over 25 countries. Course materials, lunch on lecture days, and the public transportation ticket for Vienna are included in the fees.

Registration

WU partner universities can nominate their students to participate in this program as exchange students.
